Press Release: 11-Aug.'09

Giada Cube-N3 Full HDD Multimedia Mini PC

The ***Giada™ Cube N3*** is a surprisingly affordable, space-saving PC that will capably serve everyday computing needs with ease. Featuring the NVIDIA® ION™ graphics solution coupled with the low-power Intel Atom N330 processor, it perfectly balances extreme value with functionality. In addition to tackling basic computing needs, it was designed to perform as an ideal infotainment solution for streaming movies, TV shows, music and other online media. Its compact design and HDMI interface make it a perfect fit in the living room, where consumers can connect it to a big screen TV for enjoying digital media or casual games with family and friends. Whether used as an infotainment center or a secondary low-cost PC, the Giada™ ION 330 outstanding value is undeniable.
